## a unique formula

---

The best flavors obtained from the most select varieties of grapes. Our secret herb and spice blends. The exact time in the barrels of our winery for their perfect maturation. All this make up our **special formula**, recognizable to taste and inimitable.

The unique flavor and aroma of Vermouth Yzaguirre are the result of the **tradition, experience** and **excellence**. An artisan process of elaboration, cared down to the last detail, which is carried out from the beginning to the end in our cellars. And of course the best ingredients to get the most special recipe.

A unique and secret formula to rediscover vermouth through the most special flavors. The unique **formula of Vermouth Yzaguirre**.

The entire product range is made following an exclusive and traditional method that combines about **80 herbs** and **spices** to give it its characteristic special touch.
